The Deposit must be paid in Cash; neither checks nor credit cards will be accepted. Failure to provide CASH Damage/Gas Deposit will result in cancellation of your Rental with no refund. The Deposit is to ensure the Rental Policies are followed; and also to cover damage to the boat, motor or prop. You will be shown the prop prior to beginning your Rental Period. A bent or broken prop will be charged the full \$200 Deposit. Likewise failure to adhere to the Rental Policies will result in full surrender of your \$200 Deposit. In either case the gasoline used will be an additional charge which must be paid before leaving the Marina facility. If any credit cards are charged for fuel, towables, damage or cleaning fee, a 3% surcharge will be applied to balance owed per card.

Cancellations (RENTAL BOATS GO OUT RAIN OR SHINE)

Because this is a highly seasonal business, no refunds will be given for cancellations other than for bad weather at our location. Please phone the Marina the day of your Rental (828-644-5451) if you have a question about the weather here. Weather forecasters consistently predict SCATTERED thunderstorms all summer. But that doesn't mean it's storming here. There are many, many summer days when surrounding areas experience stormy weather while we have nothing but a beautiful day. If you start your rental and it begins to STORM then you will be refunded what you have not used. The boat rents by the hour so if you are 20 minutes into a 4-hour rental then you will be refunded 2 hours because 3- & 4- hour rentals are the same price. If you are 1 ½ hours into a 4-hour rental then you will be refunded 1 hour because 3- & 4-hour rentals are the same price. If you are 2 ½ hours into a 4-hour rental then there will be no refund because you are 30 minutes into the 3rd hour and 3- & 4-hour rentals are the same price. Sorry we may not be able to revise times due to rain but will try. All half day and full day reservation times are strictly enforced.
